Recognition of influential personalities are the main part of this festival, the level of performance of the selected personalities are based on 10 indicators considering their efforts toward peace and democracy in Afghanistan. ADDO has defined these indicators with consultation with experts in this field. Those indicators are mentioned below:

1. Efforts to reduce discrimination between Afghan nation;
2. Efforts to increase the coherence of most Afghan citizens;
3. Effective movements for Promoting Democratic Values in Afghanistan;
4. Earning national and international honors for the country;
5. Efforts to promote transparency, accountability and public participation;
- 6- Supporting vulnerable groups of society;
7. Conduct follow-up appeals related to human rights and essential rights of citizens;
- 8- Attempt to create and promote a culture of voluntarism;
9. Efforts to raise the level of community knowledge;
10. Increase the capacity of the cultural and leaning agencies.

This initiative is taken by Afghanistan Democracy and Development Organization (ADDO). This festival will be conducted in first week of each New Year for appreciating and entitling 10 influence personalities every year.
